EC Certificate of Factory Production Control (FPC)

2273 – CPR – 0644

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) it has been stated that the construction product:

Structural Components for Steel Structures

Harmonised	Type / Execution Class of the Construction Product	Declaration Method
BS EN 1090-1: 2009 + A1:2011	Load bearing and welded structural steel components up to EXC 2 according to BS EN 1090-2:2008+A1:2011	1, 2, 3a and 3b table A.1 of BS EN 1090-1: 2009 + A1:2011

placed on the market by

LA Metalworks Ltd

and produced in the factory(ies)

LA Metalworks House. Fiddlebridge Lane, Hatfield, Hertfordshire, AL10 OSP

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 2273 – Steel Construction Certification Scheme Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

Attestation	This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard: BS EN 1090-1: 2009 + A1:2011 were applied.
Date of first issue	August 2018
Date of this issue	21 August 2018
Date of expiry	20 August 2021
Validity Period	This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd

Welding Certificate

2273 – CPR – 0644 – WC

In compliance with BS EN 1090-1:2009+A1:2011, table B.1, the following has been stated:

This Welding Certificate is an annex to the EC-Certificate of the Factory Production Control (FPC) 2273 – CPR – 0644. This Welding Certificate is only valid in conjunction with the aforementioned EC-Certificate in the scope of the Construction Products Regulation or CPR.

Manufacturer	LA Metalworks Ltd
Facilities of the Manufacturer:	LA Metalworks House, Fiddlebridge Lane, Hatfield, Hertfordshire, AL10 OSP
Standard	B EN 1090-2: 2008 + A1:2011
Execution Class	up to EXC 2 according to BS EN 1090-2:2008+A1:2011
Welding Process(es)	135 – MAG welding with solid wire electrode 111 – Manual metal arc welding
Base Material(s)	Group 1 carbon steels up to and including S355-2JH
Responsible Welding Coordinator	Jim Carmichael – competence assessed through SCCS approved course (up to and including EXC 2)
Alternate	n/a
Attestation	This certificate attests that all procedures for the execution and surveillance of welding works in connection with BS EN 1090-1:2009+A1:2011 are implemented.
Date of first issue	August 2018
Date of this issue	21 August 2018
Date of expiry	20 August 2021
Validity Period	This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standard's requirements may be obtained by consulting Steel Construction Certification Scheme Ltd
