

We're hiring

Financial Controller

At LA Metalworks we are always on the lookout for talented individuals who can add value to our business. We strive to sustain a working culture where individuals are inspired to work and make an invaluable contribution to the business by sharing our values and goals. We are currently looking for the ideal candidate to become part of the team as a Financial Controller.

Requirements:

- ACCA, ACA or CIMA qualified or equivalent (qualified by experience also considered)
- Experience in a similar sized business (£10M+)
- Detailed knowledge of finance, accounting, budgeting, job costing and cash flow management
- Experience working within a similar role in the construction industry would be useful although not essential
- The role may require a candidate to organise an audit in the near future and experience dealing with auditors would be useful
- Ambitious and self-motivated individual

Salary: £60-70k per annum *Negotiable based on experience

Role: Full Time

Location: Hatfield, Hertfordshire
